WORK EXPERIENCE

Director

Research Center for Fisheries and Aquaculture of HUAL [2017 – Current]

City: Szarvas

Country: Hungary

I'm the director of Research Center for Fisheries and Aquaculture (HAKI). I have twenty years experiences in pond aquaculture management and fisheries management of Hungarian surface waters. My research area is the ecology of fish communities. As the director of HAKI I organize the research strategy of the institute and also lead the innovation and extension works of the HAKI.
